

1. Sequences

Sequences of numbers

Recurrence relations

Types of behaviour

- increasing/decreasing
- boundedness

Convergence

Mixed practice

Generation

G1-G4

or

Classification

C1-C15

NearG

+

NearC

MidG

+

MidC1

MidC2

These tasks were shown in the order corresponding to the student's group (-GC or -CG)

2. Arithmetic and geometric sequences

Arithmetic sequences

Summing arithmetic progressions

Geometric sequences

Summing geometric progressions

3. Series

4. Maclaurin series

Assessment

9 questions on the week's content

FarC1

FarC2
